Young Enterprise Fundraising

Save Seven make a great start to their year

The Year 13 Young Enterprise Company 'Save Seven' have been working hard to raise funds in their journey towards developing their first product. One fundraising idea was a raffle for the school community – so the team set out and began approaching local businesses to see if they would donate any prizes for the raffle. Thankfully, many local businesses were in full support of the company's endeavours and donated lots of prizes, including: a £50 Airtastic Voucher, custom made hampers and vouchers to spend in local businesses! The company did a brilliant job in selling their tickets around the school raising £351 towards their product development and purchasing raw materials. 'Save Seven' are now looking forward to beginning their product journey and begin marketing their sustainable products – keep an eye out on our social media pages for more information. If you want to follow 'Save Seven' in their journey, check them out on Twitter (@Save7Seven) and on Instagram (@save7seven).

A huge congratulations to the 1XI who are through to the next round of @UlsterHockey Belfast Telegraph Schools' Cup, winning 1-0 vs Cambridge House.

Rachel Cushley scoring a fantastic goal. The girls didn't give up & were rewarded with a great win! Well done, CGS are very proud of you!

The Benefits of Resilience for Young People

Pastoral Care @ CGS

Young people who are resilient tend to be more hopeful, confident and possess higher self-worth during hard times. They are more likely to overcome challenges, recognise when they need support and develop coping strategies enabling them to handle difficulties more easily in the future. At Carrickfergus Grammar School we want to promote the importance of resilience, but also to help pupils learn how to become more resilient. This week Prefects have been introducing the topic to pupils in Years 8, 9 & 10 and Class Tutors have introduced the theme in Registration to Years 11-14. Our pupils have shown good resilience during the challenges of the last 18 months and we hope that in the months ahead they can learn how to use this resilience to deal with difficult times and to help others in times of need.

Careers

Parent Reminder – Carrickfergus Grammar School has moved to an online payment system for school lunches. School meals can be ordered in advance via the ParentMail App. Please go to accounts and select 'choice of hot meal'.

Parents of children entitled to free school meals must also order school meals on the app, without the need for payment.

Celebrating Attainment

Congratulations to Lucy Reid and Rebekah Sharpe of 8S, as they reach the 15+ Merits milestone.

Over 7000 Merits have been given out this year. Well done to all our pupils for this great effort, whether they have been demonstrating exceptional work in class and at home, demonstrating thoughtfulness towards others or have managed full attendance.

Psycho Cross Racing Success

Well done to Year 9 pupil Elliott

McKeegan on his recent cycling success.

A massive achievement as Elliott has been competitively cycling in these races for only three weeks. Elliott has always been interested in cycling, as it was always encouraged by his family from a young age, and is hoping to develop this into Motocross in the future. We wish him all the best in his upcoming race in Dungannon!

CGS Pupil on the World stage

Congratulations to Chloe Blair for obtaining a third overall place in the Worlds- ISAF open all girls Hip-Hop competition with her team - Defiance!

Chloe has many years of Gymnastics, as well as three years of Cheer, under her belt and this fantastic opportunity for her to develop her skills through dance was offered to her just one year ago. This competition is the first Virtual World competition for both Northern Ireland and Ireland.

A great achievement and good luck in upcoming competitions!
